## What do our customers say?

At CGA Integration we enjoy building long-term relationships with our clients, helping them to stay abreast of developments in this fast-moving industry, such as the growth of BYOD, (bring your own device), to in turn create the best possible experience for their guests. But don't take our word for it, read the testimonials of some of our discerning clients to see why they choose CGA Integration again and again.

### One Aldwych

"One Aldwych first opened its doors twenty years ago and now was the right time to update the hotel to create a superbly comfortable, modern, sophisticated venue to once again set the benchmark in hotel design. CGA have helped us to deliver this throughout, with an AV system that creates the right atmosphere in each area; providing a great sounding, flexible system which is easy for staff to use."

**Janine Marshall, General Manager One Aldwych**

### Andaz London Liverpool Street

"It was important to create the right atmosphere in this area, as it is the first experience guests have of our hotel. CGA have designed and installed a sound system that both works well with the interior design and provides us with the flexibility we need for the way this space will be used."

***Otto Steenbeek, General Manager of Andaz London Liverpool Street***

**Strand Palace London**

"The sound system CGA has installed delivers a wonderful sound and has given us great flexibility across the hotel."

***David Pryde, Head of IT Strand Palace***

**'Sette' and 'Nolita Social Lounge' Bulgari**

"The sound across both Sette and Nolita Social Lounge is amazing, it really helps to immerse guests into two very distinct experiences. The easy to use control panels also enable our staff to control the levels of music in different areas, helping to create different atmospheres in these distinct venues at the same time."

***Sara Kim, SVP Brand Development LDV hospitality NYC***

**Wild Honey St James at Sofitel London St James**

"Working with CGA has given us a great return on investment. The sound system they designed and installed for The Balcon eight years ago has been easily adapted to create superior sound throughout Wild Honey St James. It was greatly beneficial making that initial investment with CGA"

***Julien Davain, Restaurant Manager Wild Honey St James at Sofitel London St James***

**Bliss Hotel Waterfront Southport**

"Bliss is all about creating an experience to delight and surprise. We want our guest's experience to be different but equally memorable each and every time they visit. To deliver this, every aspect of their sensory experience needs to blend together and that's why we appointed CGA Integration to ensure that the sound systems they designed and installed delivered the emotional impact we demanded."

***Daniel Broch, founder of the Bliss investment group***

**Holiday Inn & ANA Spa Winchester**

"CGA have delivered a sound system that has enhanced the new ANA spa experience and complemented the refurbished communal areas of our hotel, we are delighted with the result."

***Marc Solarz, General Manager Holiday Inn & ANA Spa Winchester***
