

CGA Integration Specialists in Sound

Here at CGA Integration we understand sound. We understand how a well designed, expertly installed; quality sound system can work with a bespoke playlist to completely transform a venue.

Our clients; boutique & landmark hotels and Michelin starred restaurants, understand the value of sound in creating the perfect ambience for their guests.

At CGA Integration we work with our clients to design the best possible sound solutions for their venue, delivering reliability & efficiency for conferences, flexibility for events and relaxation & indulgence for fine dining & spas.

Whether your business is based in the UK or Internationally CGA Integration can offer you sound solutions. We provide a consultancy design service globally and a full service, including design, installation and maintenance throughout the UK.

We enjoy building long-term relationships with our clients to help them to stay current with all the developments this fast moving industry has to offer.

Chris Gunton Managing Director

Chris Gunton is the founder and Managing Director of CGA Integration; industry leading specialists in sound. Chris works globally with prestigious hotels, spas and Michelin starred restaurants; internationally providing a sound consultancy design service and throughout the UK designing, installing and maintaining the best possible sound systems for hospitality venues. These sound systems work with bespoke playlists to deliver flexible sound solutions, enhancing the ambience of a room whatever the occasion.

David Bearman AV Consultant

David Bearman leads CGA Integration's International Consultancy Projects, working with our global clients to ensure that projects are managed and delivered efficiently and effectively. He specialises in sound system design and specification, ensuring that clients audio-visual needs are met throughout the venues we consult for.

Who Chooses CGA Integration?

Our clients; boutique & landmark hotels and Michelin starred restaurants, understand the value of sound in creating the perfect ambience for their guests. CGA Integration have worked with many discerning Michelin starred chefs: Raymond Blanc, Heston Blumenthal, John Campbell, Alain Ducasse, Bill Granger, Alfred Prasad, Wolfgang Puck and Gordon Ramsay, as they know that our attention to detail reflects their own and over the years extensively with the Dorchester Collection.

Recent projects include: Dishoom (Carnaby & King's Cross), Hôtel Plaza Athénée Paris, Heston Blumenthal's The Perfectionists' Café (Terminal 2 Heathrow Airport), 11 Cadogan Gardens, Congham Hall & Spa and Granger & Co Clerkenwell Green.

What do our customers say?

At CGA Integration we enjoy building long-term relationships with our clients, helping them to stay abreast of developments in this fast moving industry, to in turn create the best possible experience for their guests. But don't take our word for it, read the testimonials of some of our discerning clients to see why they choose CGA Integration again and again.

Congham Hall & Spa

"Having worked throughout the luxury hotel sector, I wanted an AV company that could help me deliver the superior quality experience I want to offer our guests."

Nicholas Dickinson, Director Congham Hall

Dishoom Carnaby & Dishoom King's Cross

"CGA Integration have designed and installed a balanced, great sounding system, which you can hear clearly whilst still being conducive to conversation. Music is such an important element in delivering the unique buzz and vibe of Dishoom but equally our customers want to be able to easily hold a conversation, CGA have got the balance just right."

Shamil Thakar, one of the founders of Dishoom

Dorchester Collection:

"I am very pleased to be working with Chris and his team again. We are delighted with the quality of his workmanship both at Coworth Park and The Dorchester and have no doubt that this will be repeated at 45 Park Lane. It is so important to have a strong partnership with our contractors. With CGA Integration we know that they will deliver on time and to brief from design through to installation."

Ray Pask, Director of Technical Services for Dorchester Collection

Granger & Co Clerkenwell Green

"We have been delighted with the sound system CGA have designed and installed. The audio quality really helps to create the right atmosphere and simple controls allow staff to adjust the sound to reflect trading conditions."

Katherine Petty, Operations Manager Granger & Co

Heston Blumenthal's The Perfectionists' Café (Terminal 2 Heathrow Airport)

"The audio enhances the total experience we want our customers to receive at The Perfectionists' Café. CGA have used a digital sound processor to ensure that all three speaker sets work together to seamlessly blend the sound across all areas, so no matter where you go you experience the same great sound. We are all very pleased with the result."

Group Executive Head Chef Ashley Palmer-Watts

Restaurant John Campbell (Coworth Park)

"The CGA audio complements our efforts to achieve faultless presentation of delicious dishes every time"

John Campbell

Sofitel London St James

"The system that CGA have designed and installed complements the quality of the design, food and service our customers expect."

Antoine Winckler, Director of Food and Beverage Sofitel London St James

Why Choose CGA Integration?

At CGA Integration we pride ourselves in offering;

- **A TOTAL BESPOKE SOLUTION:** one partner from design through to installation & maintenance.
- **INTEGRATED SYSTEMS:** a holistic approach to lighting, audio and video needs.
- **ENHANCED AMBIENCE:** creative solutions to maximise the guest experience.
- **UNOBTRUSIVE RESULTS:** technology that blends seamlessly with the surroundings.
- **QUALITY PRODUCTS & SERVICE:** reliable technology with 24 hour, post installation support and Customer Service Plans to maximise up time.

We know that exceptional venues require exceptional partners.
